Civil Action B-96-203

## AGREED MOTION TO RESET HEARING

It is agreed by the parties that the hearing in the above case set for March 18, 1999 at 1:30 p.m. should be reset for a later date.

The reason is that the hearing was set regarding motions for summary judgment. The deadlines for the motions were pushed back, but the hearing date was not. The plaintiffs received the defendants' motions on March 15, 1999. The Plaintiffs need more time to respond.

**The parties request another hearing date.**
